

**City of San Luis Obispo**  
**Commemorative Tree Plaque Program**  
**For Public Street Trees in the Downtown Area**

A commemorative Tree plaque may be purchased in the Downtown Area of SLO for \$250.00. This new program was approved by the City Council on February 2, 2010, Resolution Number 10151 (2010 series).

Any public tree in the Downtown Area may be dedicated and a plaque will be placed by or as near to the tree as possible. The plaque will be made of black (matte) anodized aluminum and will have silver letters. The plaque will be 4 inches tall and 6 inches wide with a thickness of ¼ inch.

The plaque shall be affixed to the sidewalk or tree grate close to the tree. The Commemorative Tree Program form shall be filled out and submitted to Public Works with the \$250.00 fee.

The Downtown Area is described as the area between Palm and Pacific and Santa Rosa and Nipomo streets and extending south between Higuera and Marsh to where Higuera and Marsh meet, including both sides of the street. It also includes Monterey Street from Santa Rosa to Buena Vista.
